

2006 DOTY Awards Check List

- Did you read the requirements for the Categories to determine your entry's proper category?
- Did you include the required three 4" x 6" width x height (10.16 cm x 15.24 cm) color photographs? An additional close-up of doll's face is optional.
- Did you make a label with your name, entry name, and category number and glue or tape it to the back of each photo?
- Did you sign your entry form?
- Did you make sure NOT to include details that would identify you or your company on the entry information form? But, if you are entering category 10, do identify the manufactured doll you have redesigned.
- Did you include the correct entry fee(s)?
- If paying through a wire transfer or with a credit card, did you supply all the required information?

Notes:	Optional close-up of doll's face may be glued or taped here.
